

## **JOB 2 START**

### **Make it happen and get into action**

Do you still need a little help to make your project a reality and to be able to go through all the steps?  
Do you want to improve a number of skills in order to function better in an uncertain and constantly changing world?  
Do you need to be supported to better search for a job and to be recruited effectively somewhere?  
Do you want to get into the right education or training first?

**In this case, JOB2START can probably help you!**

#### **the programme?**

- tailor-made coaching (to be determined together) to move forward step by step
- you clarify your project and develop it concretely
- you develop all the tools to achieve it: CV, covering letter, preparation for selection interviews, business plan, etc.
- you take the necessary steps to succeed.
- you are the driving force behind the whole process

#### **the conditions?**

- you have completed COACH2START, TECHNICS2START or DIRECT2START
-
